

Notice of Application Filing by Canisteo Wind Energy LLC
Pursuant to Article VII of the Public Service Law

On or about November 30, 2018, Canisteo Wind Energy LLC (CWE) will file an application with the New York State Public Service Commission (NYSPSC) for a Certificate of Environmental Compatibility and Public Need pursuant to Article VII of the New York Public Service Law (Article VII Application), for the construction, ownership, operation and maintenance of a new overhead, 115 kV electric transmission line (Transmission Facility). The Transmission Facility will interconnect the Canisteo Wind Farm to New York State Electric and Gas Corporation's (NYSEG) existing 115 kV Bennett Substation in Hornellsville. The Canisteo Wind Farm is the subject of an application previously submitted to the New York State Board on Electric Generation Siting and the Environment pursuant to Article 10 of the Public Service Law in Case 16-F-0205. The Article VII Application, which is the subject of this Notice, is being reviewed by the NYSPSC, separately from the Article 10 Application. The proposed Transmission Facility will be located within a new approximately 80-100 foot right-of-way, primarily on privately-owned land controlled by CWE traversing 14.6 miles generally in a southeast to northwest direction from the proposed Canisteo Wind Farm collection substation to the Bennett Substation, passing through the Towns of Jasper, Canisteo, and Hornellsville and the Village of Canisteo, Steuben County, primarily following the State Route 36 corridor.
